Daily Diary, Q/MR, 2 May 1951 (AD/ER information unless otherwise stated)

25X1A

D/A: [REDACTED] and [REDACTED] attended meeting in office of H. G. Ainsworth, SAWM, D/S-EL, regarding INTELLIGENCE MEMORANDA prepared for use of the UNITED STATES DELEGATION TO COCOM in the forthcoming meeting to consider more effective control of Inter-national List I items. Appropriate analysts in each agency were requested to review the items in their respective fields and submit any comment or any additional intelligence. This will be transmitted for the COCOM meeting tentatively scheduled for 7 May. Mr. Cox, ECA, objected to some of the conclusions and estimates and did not think the material should be made available to the members of COCOM as a United States estimate. Ainsworth stated it was already being discussed with the [REDACTED] (2 hrs.) (8 May)

David J. Wheeler, ENA, tried to persuade [REDACTED] to modify the CIA recommendation to the Chairman of the P-Procedure Committee that decision regarding the EXPORT OF PETROLEUM REFINING EQUIPMENT TO SOCIETA PERMOLIA, ITALY, be delayed until CIA's current inquiry is completed. [REDACTED] after again consulting [REDACTED] C/R, advised Wheeler that the status of the inquiry warrants the delay. (1/2 hr.) (8 May)
